Daniel Ayala

Ziriyon Campbell

Daniel Ayala age 18 is from Bogota Colombia. He began dancing at the age of 14, which is pretty late for a Ballet Dancer. His teachers and family decided to seek further education in the United States to increase his training as he is extremely talented, hard working and determined to become a principal dancer in a prestigious company. Daniel has been training at St. Lucie Ballet since August 2019 and has attended The Youth American Grand Prix and Universal Ballet Competition where he is getting the respect and attention of some of the best schools in the world.

During the Youth American Grand Prix Daniel along with his partner Isabella McCool placed first in the

Pas De Deux Category and were invited to the NY York Finals. He was also awarded scholarships to ABT, Peridance and Rock School of Dance. Again much success during The Universal Ballet Competition, he placed second in the Senior Male Division with his classical solo and fifth place with his contemporary solo. Daniel and Isabella also placed first in the Pas De Deux Category in the Junior Division. Daniel was awarded scholarships to The Royal Winnipeg Ballet School, Ballet West and Complexions Contemporary Ballet. He was also the very first recipient of UBC newest award The So Danca Star Award for Best in Class.

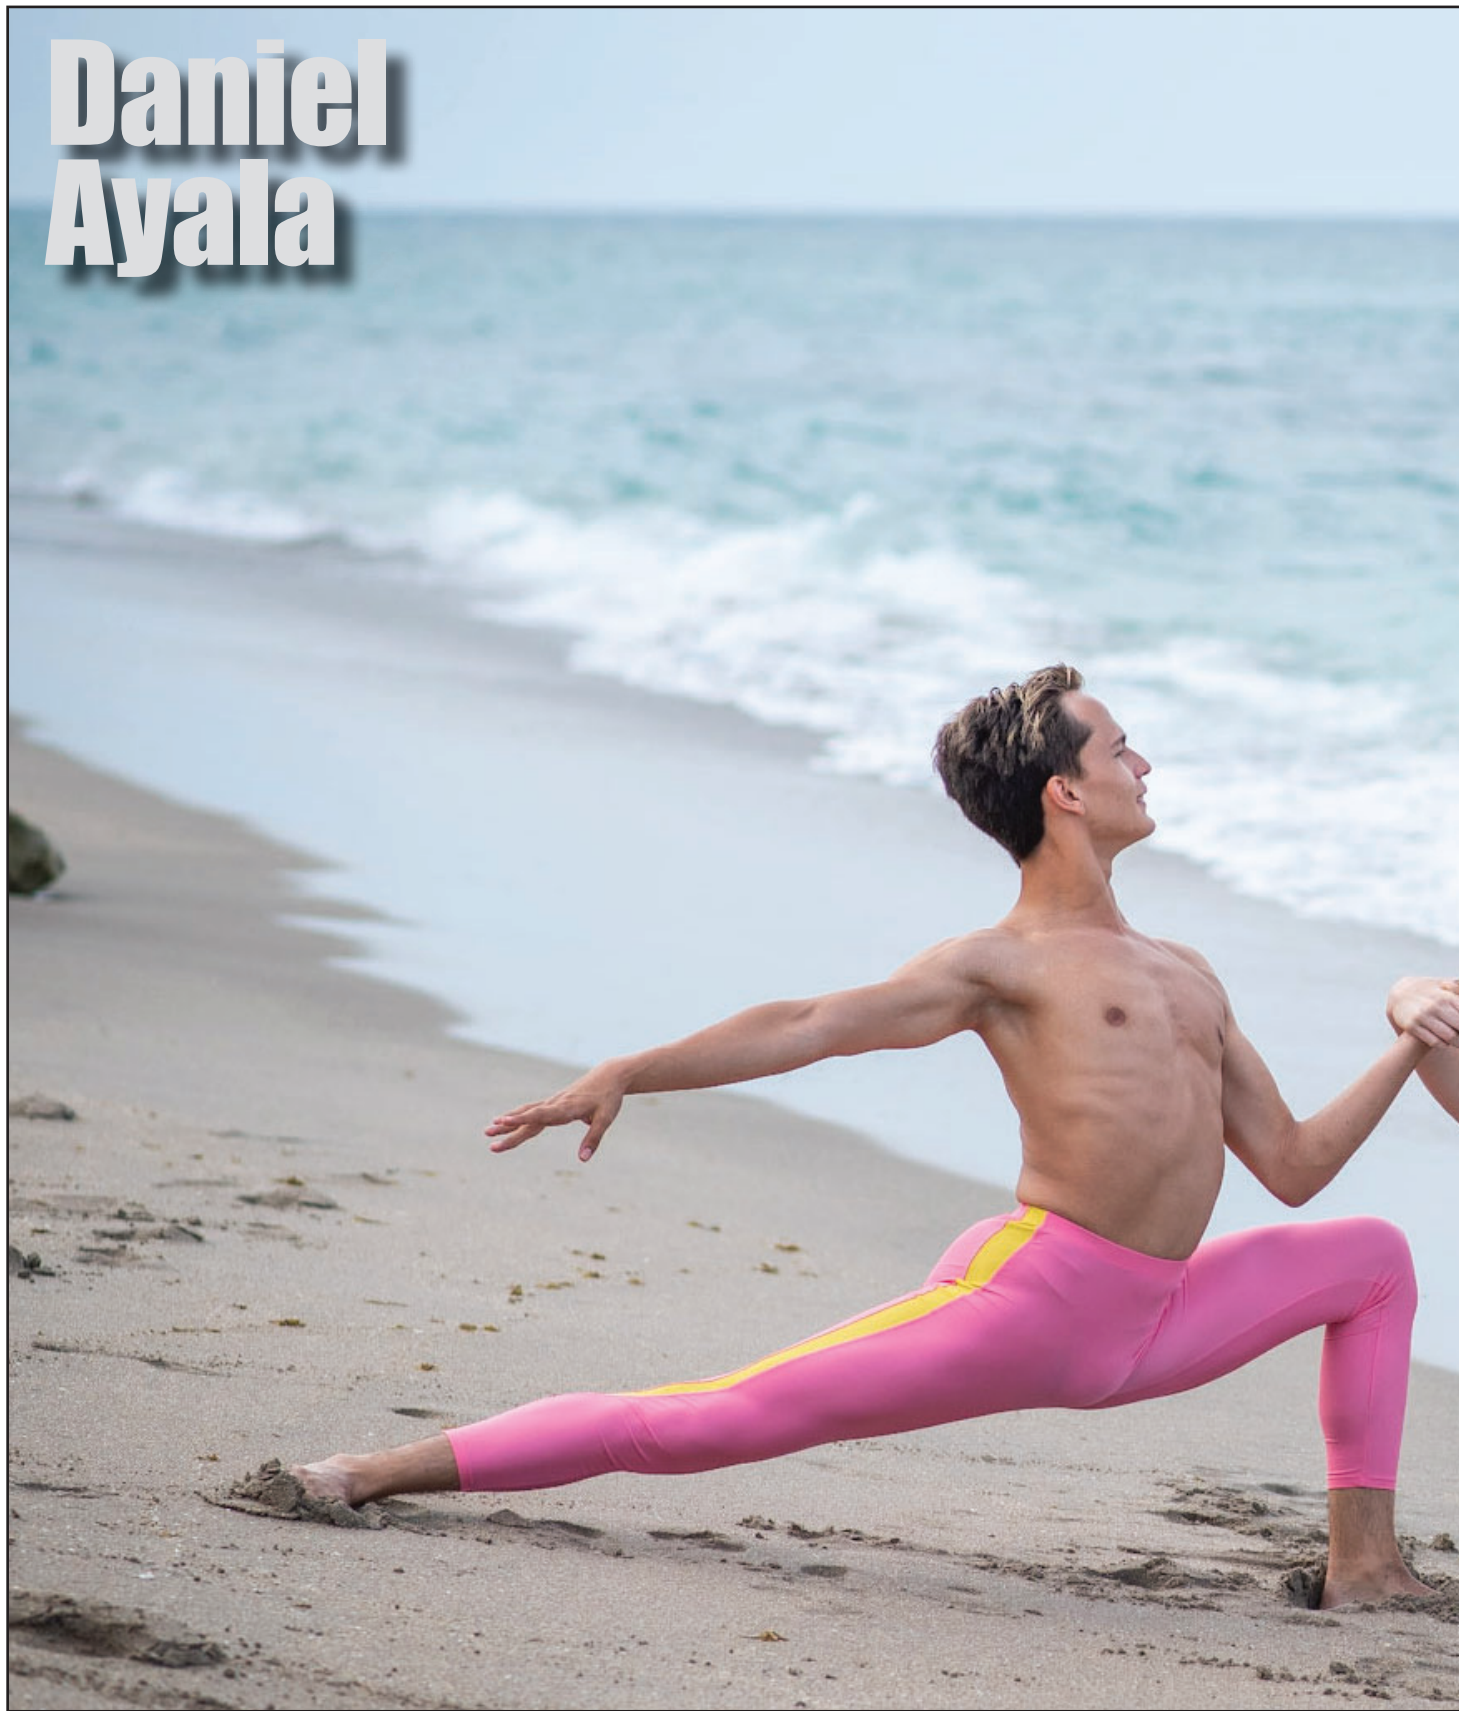

At a young age he has gotten the possibility to perform as a Guest

Artist in stages such as the Sunrise Theater in Fort Pierce Florida, The Lyric Theater in Stuart Florida, Manuel Arttime Theater in Miami and The University of Arizona. Captivating the eye of multiple experts in the field and creating a strong connection with the orients. Daniel has the natural talent of telling a story while dancing which is rare to find these days.

Each week Daniel donates his time teaching a Men's Ballet and conditioning class at St. Lucie Ballet, he has been a guest dancer with the Cuban Classical Ballet of Miami, and he is also a Ballet In The City Ambassador

Eleanor Fults is a fifteen year old young lady from Tullahoma, Tennessee. She is a rising sophomore and on the Tullahoma Lady Wildcats varsity team. She also loves to dance, sing, and act. Her goals for this basketball season is to help her team make it to the state championships. She would also like to have an average of fifteen points per game. Her hard work and determination has made her the athlete she is today. Both a basketball player, track athlete, and dancer, she aspires to do her very best at everything she is involved in no matter what.

Eleanor Fults

Raven is the youngest out of 3 boys and was born and raised in Austin, Texas. She has always been a talented girl ever since she was 6 years old. She auditioned to be in a Tyler Perry movie one time. She chose to sing a Selena Gomez song, but unfortunately she didn't make it. Raven was just full of surprises that I really didn't even know of until she got in middle school. She got selected to be in this dance team called F.O.R.C.E. (Focusing On Reaching Children Everywhere) at Webb Middle School and thanks to her coach, Coach Terrell, she loved dancing. In 7th grade that's when the sports started happening. She did volleyball at first and automatically got on A team and became the setter- thanks to Ms. Hernandez

and she had a rocking hard arm too. Basketball season came up and none of us knew how good Raven was at basketball. She told us she made A team again and was the point guard, but we just thought the rest of her team wasn't that good. Till one day she had her first game and we realized that she was really good and that surprised me, because I always thought of her as a girly girl and not into sports like that. A coach from a AAU team was at one of their games one day and spotted Raven and asked if she would like to give it a try and she said yes and went to try it out. She didn't expect it to be how it was and unfortunately she said she didn't want to do it anymore. Coach Del La Garza was her and the best sports coach out there, and she thank you for that. High

School came and she was still a star. She was one of the main ones making points and making people foul her on that court. She's unique, because she don't shoot a free throw lol everybody else does; she shoots at an angle and it works very good for her. She been on Varsity since Freshman year thanks to Karl Loewen and she deserves it and this year- her junior year- she is becoming point guard and have a lot of responsibilities to handle. She would like to give a special thank to Coach Crayton and Coach Marion for being a great girls coach that actually cared how they team looked and cared about just the girls.

Achievements: Her goal is to get a scholarship in basketball or in track.

Gracie is 11 and started late playing soccer at 8 but her passion and heart have pushed her to the front of the teams she has been on. Gracie was just accepted to the 08 NTX Celtic soccer program as an 09. She previously played on FM Revolution Rangers. She had to make the hard decision to leave her friends and change her number from 14 to 44. She played on the school 7/8th grade team as a 5th grader. They made it to regionals before CV19 hit she plays on the Soccer Youth All American circuit and has made their All Stars Team and received an invitation to their Golden Cup in Florida this December here is a link to a write up about her: [https://](https://socceryouth.com/all-american-player-spotlight-gracie-wilson-2009/)

socceryouth.com/all-american-player-spotlight-gracie-wilson-2009/ she is the hardest worker in her age group around. She has heart. Every coach and parent that meets her says they are drawn to her because of her heart and that she is fun to watch. she owns every position on the field to include goalie but she is a forward/midfielder and plays goalie for fun. During CV19 she trained and ran to keep up her skills so she would be ready and in shape when soccer came back. She deserves every accolade...every write up...everything good to bolster her career. She wants to play for A&M and be on the USWNT and win titles.

**Raelyn
McLaughlin**

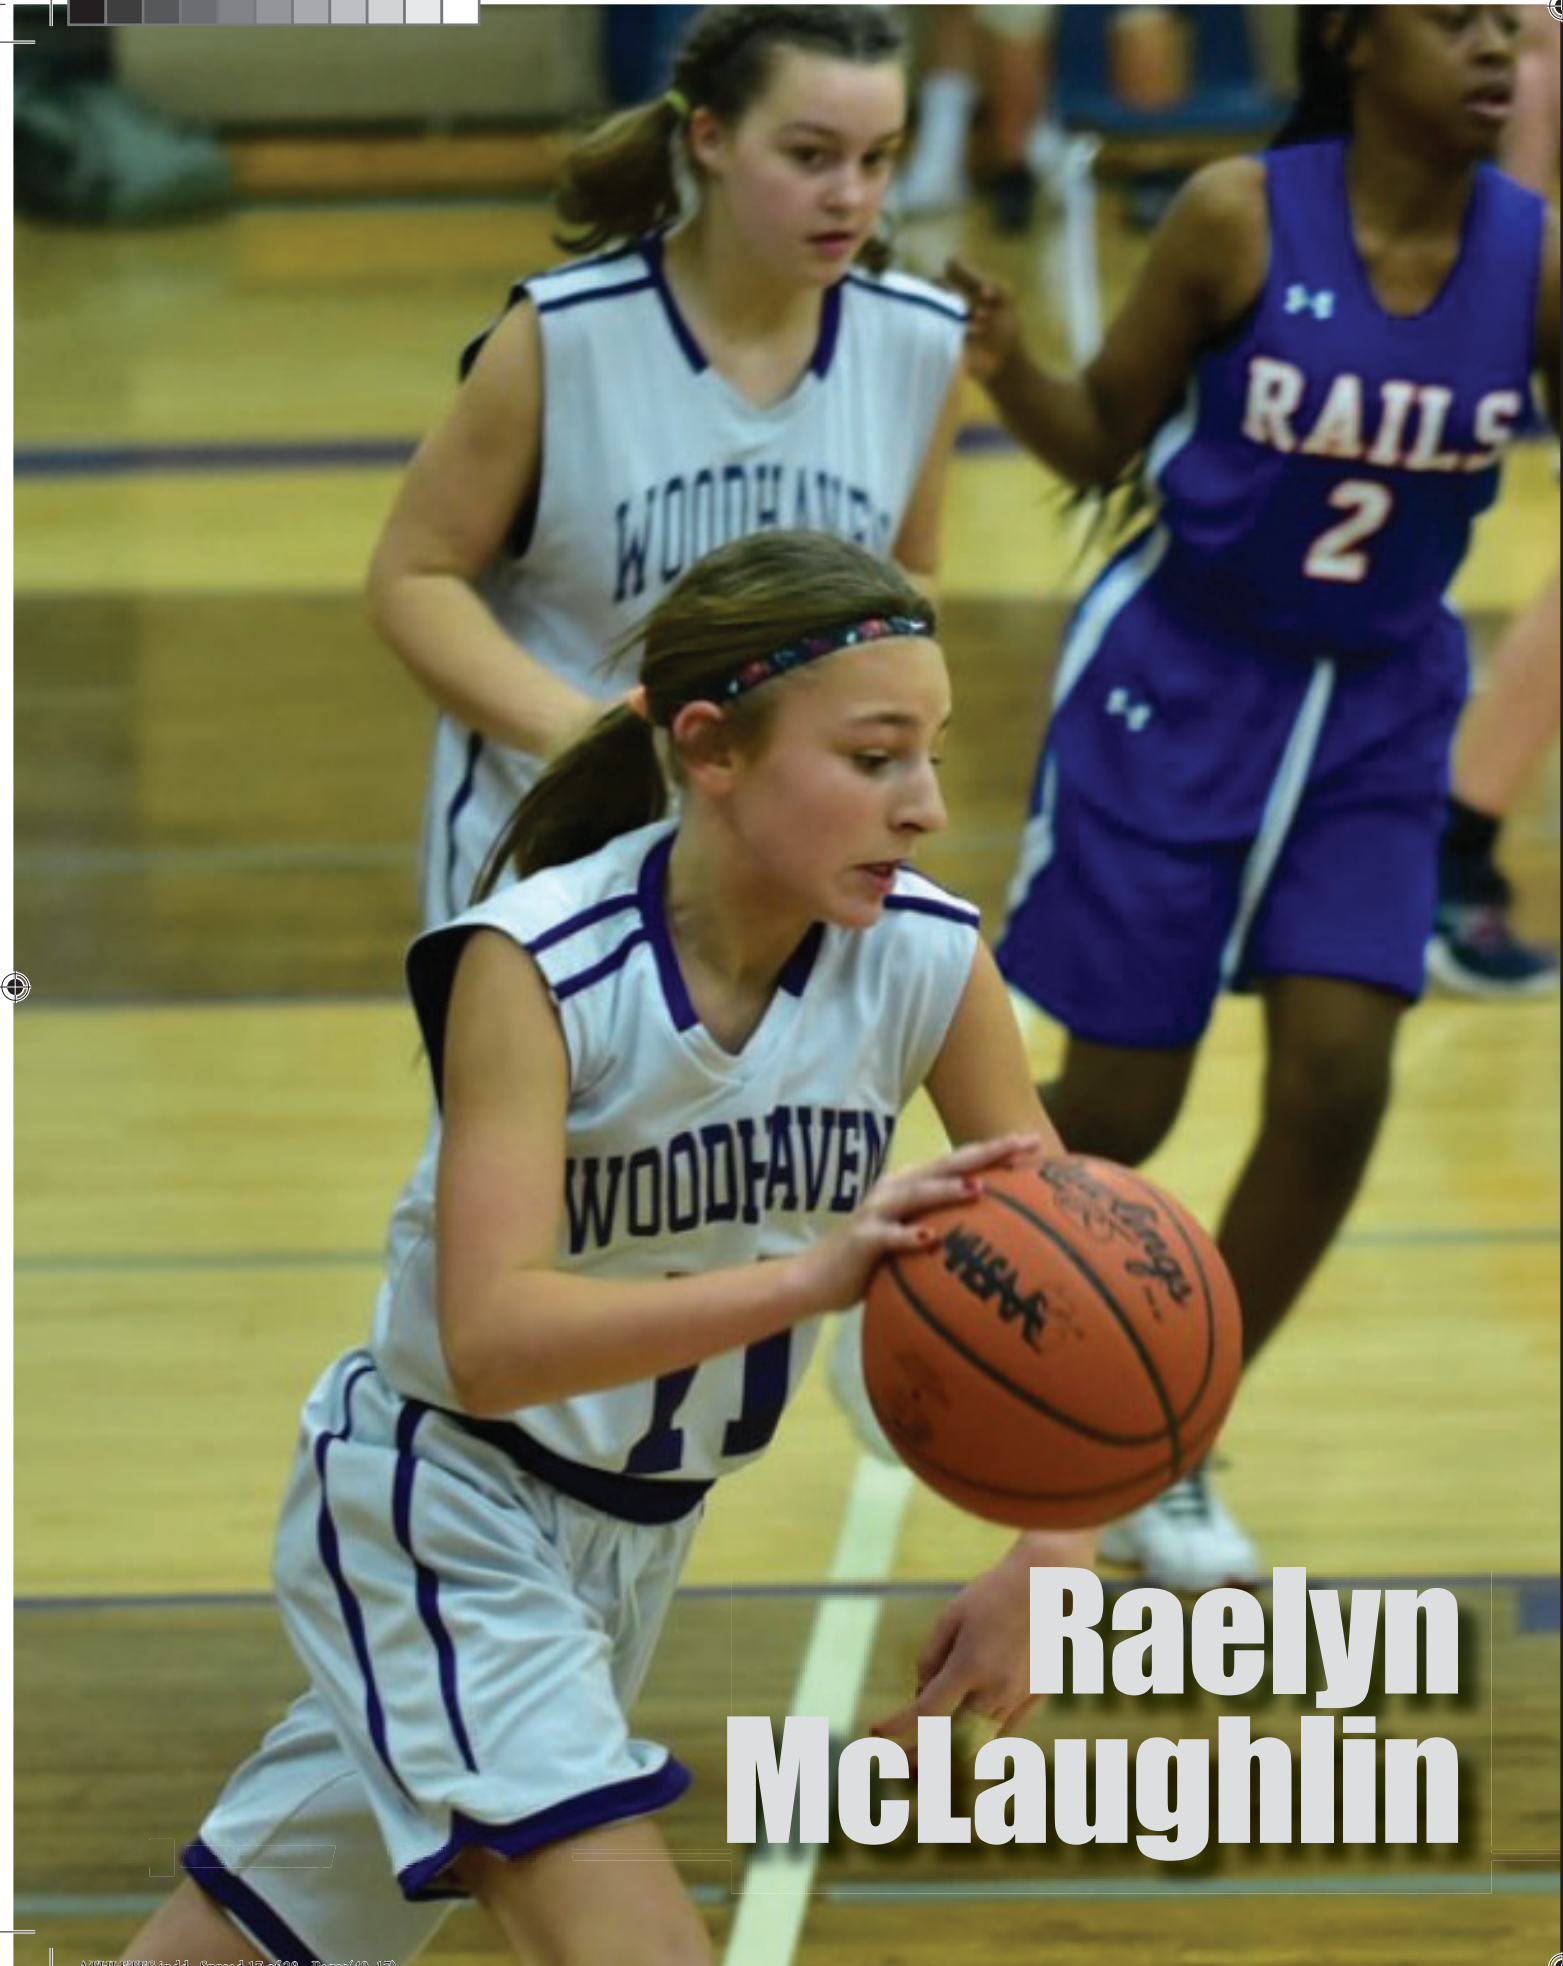

Raelyn is 12 years old and lives in Brownstown Michigan. She is a beautiful, smart, caring kid with a huge heart. Rae has a dog she loves named Bueaty, and a little brother that she doesn't dislike (lol) named Blake. Raelyn's parents, Bob and Tammy are very supportive and willing to help her succeed as long as she is willing to put in the work. Raelyn attends Brownstown Middle School where she has averaged a 3.7 GPA every marking period.

Achievements: Raelyn has traveled the country competing in different events. She is one of the best in the state in Cross Country running, distance running in track and has found a new love for Obstacle Course

Racing. Raelyn loves competing in Spartan races and her biggest accomplishment was traveling to California and winning the competitive kids division 12-14 yrs while being at the bottom of the age group. She also placed 3rd in the Downriver Jamboree 5k in which she was invited to race against all the local high schools. Raelyn's future goals are to hopefully become a state and national champion, and win the World Championship in the Spartan OCR. Her other accomplishments include a competing in tackle football, wrestling and she also achieved a Black Belt in karate. I believe Raelyn is one of the hardest working kids around and will never quit

**Hector
Solis**

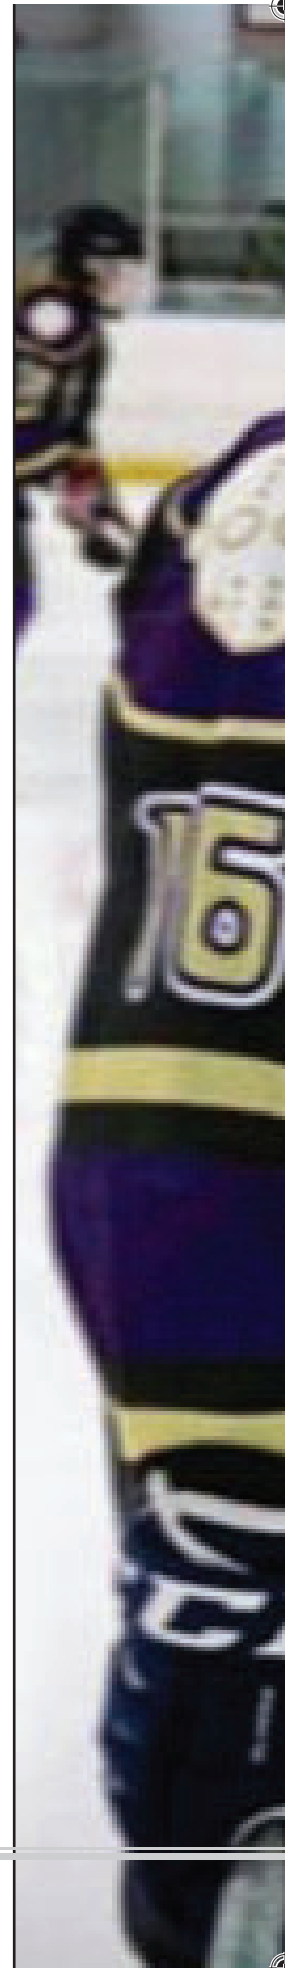

Hector Solis just completed his sophomore year in high school. He competes in both cross country and track and field. As a freshman he earned Varsity MVP honors on his cross country team after an amazing season. He placed 7th at the varsity district meet and missed out on qualifying to the UIL Texas State Cross Country championships by seven seconds after placing 20th at the Region 4 Cross Country meet. During the track season of his freshman year, he carried his momentum into the distance events all spring long. After failing to qualify to the Area meet in the 3200m run, Hector focused his attention on the 1600m run, the event he ultimately qualified in to the Regional track meet in. At San Antonio, Hector ran a huge personal best time of 4:30 in the mile run. With a strong

freshman year to build on and an outstanding summer mileage buildup, Hector was among the top finishers in every meet he competed in during his sophomore cross country season. The hard work and dedication he put forward paid off as he once again qualified to the Regional Cross Country meet after a runner-up finish at the district meet. He followed that performance up with a fifth place finish at Regionals to punch his ticket to state. He was the first person from his school to qualify for the state meet since 2008. At state, he again ran a great race to finish 30th in a crowded field. During track, Hector was poised to make a run at qualifying to the state meet before the season was prematurely cut short by the COVID 19 pandemic. Hector will no doubt cement his status

Hector Solis

as one the best runnersto come out of the Rio Grande Valley before his high school career comes to end. His goals of earning a track scholarship to schools like the University of Oregon and Texas are well within reach. His work on the course carries over into the classroom where he ranks amongst the top of his class. Despite living in one of the poorest counties in the country, Hector fuels himself with the support of his family and community to represent his school, city and family in such a proud way. We are all proud of him and what he has done so far. The best is yet to come.
