I started playing hockey when I was 3 years old and ever since then I have fallen in love with the game. over the years I earned many awards for different things and still continue till this day. In my grade nine year I was offered a full ride scholarship to a D1 NCAA university in Pennsylvania. Throughout my

Highschool years I had won the hockey award both years that I played as well as field hockey award. In 2019 my team and I had made it to the Esso cup national championship where we would fight for the title for our province. At that tournament I had won the top forwards award, in 7 games I

had 6 goals and 3 assist. In my 2020 season i played Jr. A for the Stoney Creek Sabres where I developed key skills that will prepare me for leaving in August. I am extremely honoured to have had all these good out comes and will continue to represent my country every time I step on that ice next year.

# Ayreal Guinyard

Team Guinyard (Keeh-12, Beau-11 & Ayreal 9) are brothers playing baseball for the Hastings Thunder 12u and 11u teams. They've been playing baseball for 5 years now and throughout their journey have been selected to play in various All American Baseball tournaments within the states (Baseball Youth All American games 2019, Orlando-FL & Baseball Youth All American games 2019, Reno-Nevada) either helping their teams reach and or win

the championship (Keeh Guinyard, Orlando runner-up & Reno Champions) or winning individual awards such as the Ozzie Smith Defensive player award that went to Ayreal Guinyard in the Reno, Nevada Tournament. They are great athletes as well as students with each boy carrying over a 3.75 gpa (Keeh=4.0, Beau=3.95, Ayreal=3.75). Their goal is to keep working hard in baseball and get to the MLB.

# Liam Hickey

Liam is a U14 Varsity AA goalie in HSL (Hockey Super League). Liam began playing ball hockey at the age of 7 as a defenceman. Three years later he played for @parkballhockey Provincial team(2018). That winter Liam transitioned to goalie. Next season (2019) Liam played for @parkballhockey Provincial A Team. Liam really enjoyed playing goalie and has a natural talent which sure helps. Liam decided to try ice hockey for the 2019/2020 season in the SPMHA league. His first year as ice hockey goalie Liam managed to secure 5 shutouts, and had multiple games with shots in the 40-70 per game range.

Liam began to affiliate for higher tiers as the season progressed and even played in a few tournaments

for higher tier teams. Liam and his D man "Max" won best defensive team in one of the tournament skills competition, as well Liam secured best goalie.

2019/2020 season Liam progressed into a great goalie and continued to get better each practice and game with dedicated hard work. Liam's first season ended prematurely as Covid shut down the season. Even though Covid finished everyone's season early, Liam still had a fantastic season and ended up with 2 heart and hustle awards and 7 player of the game awards and MVP award which the team referred to as the "Dominator" award after his favourite tenny Dominic Hasek.

For Liam's second ice Hickey season (2020/2021) Liam transferred to

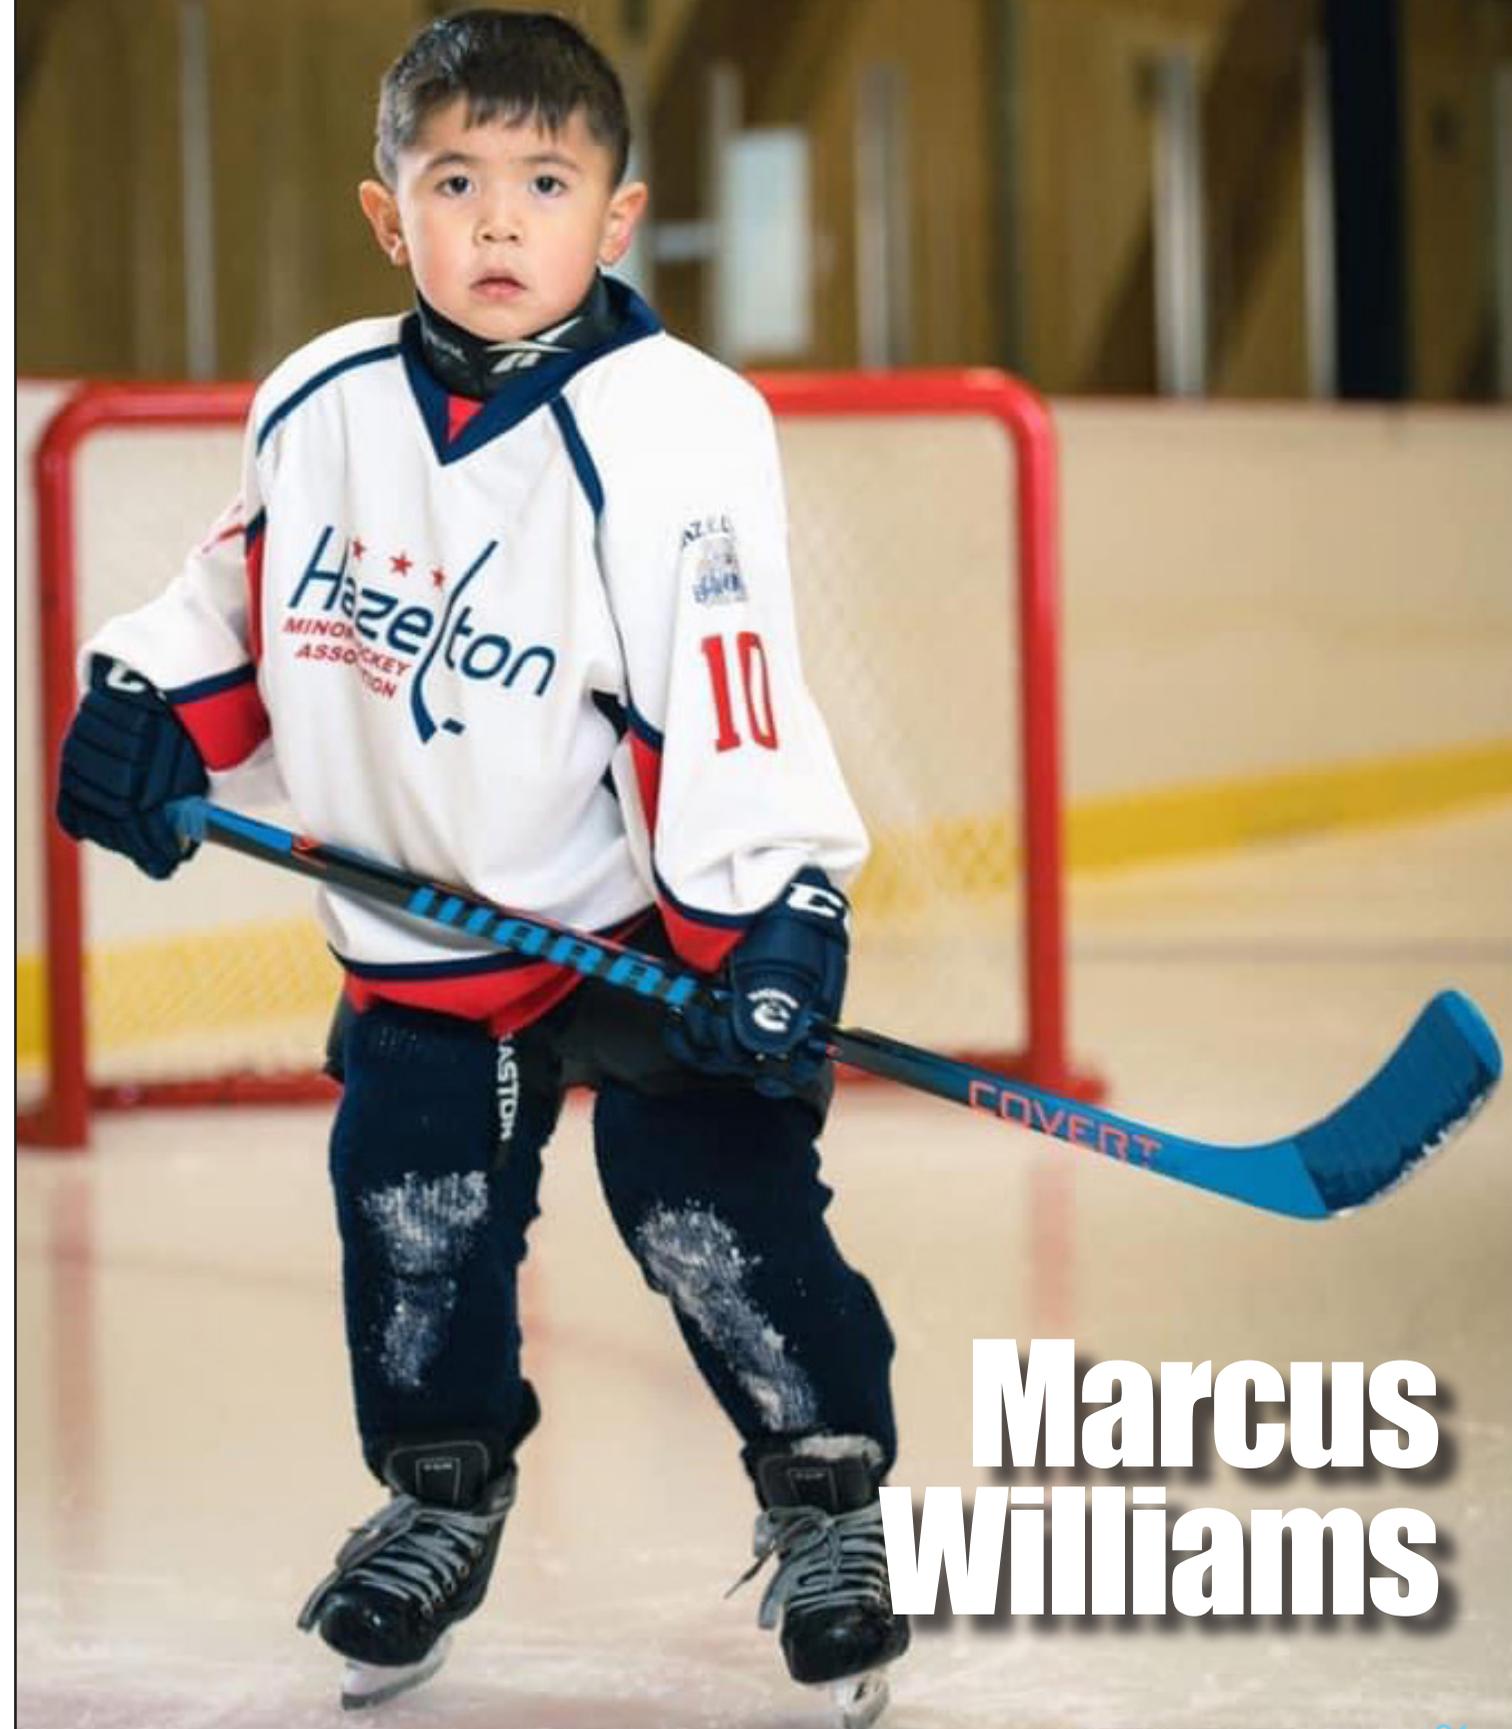

the Hockey Super League (HSL) playing for the 2008 CanWest Thunder. Liam had a really great season (even with Covid) and has improved greatly bringing his level of play to AA level.

Liam had made huge achievements since joining the HSL as the league is very focused on development. For such a huge improvement from last season and to advance to such a high level in a short amount of time, we look forward to what next year will bring and hope for a Covid free back to normal hockey season. Liam would like to say a big thank you to his coach "Chris" for believing in him, and would also like to remind everyone to work hard and never quit.

Sarah Theriault, at age 8 was just an average kid trying out a new sport for fun. One Friday night, Sarah and her mom walked into Century Gardens Arena in Brampton to register for a "Learn to play hockey" program called "RISING STARS". Upon arriving Sarah was intrigued to see so many girls participating in a sport that seemed so foreign to her. Hardly being able to hold her balance on skates Sarah took the first steps which changed her outlook in the game of hockey.

Fast forward six years, and today you

will find Sarah attending Everest Academy in Vaughan where hockey isn't just a passion; it's part of the curriculum!

Sarah skates four days a week with her trainers at school and is gaining the valuable ice time she needs to become a "AA" hockey player she's been called up to be.

Covid-19 has left many kids sidelined from the sport of hockey this past season, but Sarah's situation was worse; she was actually left without a team altogether! This disappointing news didn't stop

Sarah from pushing forward and not giving up on the game she loves. Sarah's parents built a modest 35' X 50' outdoor rink to enable some training throughout the pandemic and shut downs. "This has helped Sarah with edgework in small areas, stickhandling and generally keeping fit" her Mother Nancy explains.

Looking ahead to the 2021/22 hockey season Sarah is excited to start a new chapter with her new hockey team.

**Sean  
Pugliese**

Sean Pugliese will be 10 years old on May 25. He has been on ice since 3 years old. He started on an in-house league at 5. At the age of 7 he stated on his first travel team with the Mid-Hudson Polar Bears. He just finished his first year on full ice as a squirt. His biggest challenge is believing in himself and his capabilities as a hockey player. He went from playing defense as a mite to offense he found his strength in front of the net. At 9 years old standing 5'1 and 115 pounds he's a force to be reckoned with. His main goals is to improve at the game each year and hopefully one day be able to attend and play for Boston College.

# Sophia McGee

Hi, Im Sophia a 6 yr old that plays coach pitch baseball for the 6u Cardinals in Houston,Tx area. Playing at pitcher but also love playing 1st, 2nd and short stop with Outfield experience. Looking forward to learning to pitch and working in the Catcher position. I love to practice catching pop ups daily but would also say they are the most challenging! I also love the sound the bat makes on a big hit! My most memorable game experiences would have to be my in the park Home runs, catching a pop up and turning a double play at 1st and last but not least my very first time sliding home under a tag. (The Crowd went Wild!) I hope I can play baseball for a very, very, very long time! Say Prayers, Set Goals, Work Hard.

# Tobias Karsten

Tobias is 4 years old and he played his first season as Rushmore Thunder mini mite. He loved every moment of his first year. That he is already excited for his next season he has all brand new pads and skates for next season. He scored 15 goals and 2 hat tricks for his very first season as mini mite. Of course that's with mommy and daddy keeping track of his goals. He did receive a participation medal with the name of our Jamboree Heros and Hat Tricks. Tobias loves going to watch our local

hockey team the Rapod City Rush. He keeps asking when he gets to play hockey again. We tell him not till October/November. He gets really upset because he loves hockey so much and he has only played one year. Hockey for life and we have made some great relationships in just his first year of playing. Hockey families for ever.
