I dream of setting a example that anybody can do anything they set they're hearts on! I dream of being a great role model for my 2 children and everyone in my community! I live in a small town in Iowa and train at Grace Place gym and I'm lucky enough to have my husband Joshua Shepherd as my head coach. My goal is to be the most decorated and accomplished female athlete in Iowa by the time I retire. Belts, trophies, medals I want them all! I hold titles in K1 kickboxing and Muay Thai kickboxing so I plan on branching out to MMA and boxing with the goal of reaching champion status in those respected sports as well! My achievements are I hold the Wapello Muay Thai 135lb title, Ascendancy Fighting Championship kickboxing 135lb title which I have defended twice and my soon to be achievement September 18th 2021 I will be dropping down to 125lbs and taking that title as well! I sport a undefeated record and I credit that to my ability of staying humble but vigilant. I take every opponent very seriously and train with some of the best athletes at Grace Place in the Midwest. I was actually in the corner of one of my teammates at Bellator 265 in Sioux Falls South Dakota. I think the biggest challenge I face is juggling everything between work, being a mother of 2, a wife, training and making time for a social life. It can be a struggle sometimes but my family and friends have always been very encouraging and supportive thankfully. Going back to what I originally said "anybody can do anything they set they're hearts on" and luckily I'm blessed to be living that life and heading forward! Dream big and go hard! I'll see you at the top! Follow me on Instagram (shea.that.girl)

Hi, my name is Neri and I am a 12 years old Italian boy living here in Luxembourg. I speak Italian, English and French but I would like to learn also German and Spanish to be able to travel around the world... maybe modeling! I have not yet had the chance to model professionally but I like to think that my day will come and I will rock it. I love playing rugby but it is not always easy with the pandemic and all my homeworks but I do my best to be able to squeeze all in and continuing

doing what gives me pleasure. I also like watching, reading and drawing anime and manga, collecting Pokémon and playing on my Play Station. There are never enough hours in a day to do all the things I like. It is not easy to decide what to sacrifice in a day but I prioritize and in the end I get to do either what I need and what I like. Thank you for reading this and getting to know me a little, I'm sure I will see you around the world!

My name is Jaylan "No Playin" Phillips and I'm from a small country town called Ebro fl located in the panhandle of Florida. I'm a professional boxer and I'm one of the best in the world I hope to have a very successful career and go all around the world giving game on how to reach greatness. I want to give back to the people because it's the recognition from the people that makes one seem great. I work very hard to be the best and noone can tell me I'm not because I walk by faith and not by site. I wake up every morning, look in the mirror and tell myself I am the man because that one little sentence gives the energy to go out that day and do whatever it takes to become champion of the world.

Since I've been playing golf I've won my county championships, national competitions, school championships, been recognised by my county for outstanding achievements, played at Pinehurst in the USA and numerous famous courses in the UK, I've played in Spain and now have the opportunity to play in the EUA and many more!

My dream is to make the LPGA hall of fame, I want to represent my country in the Solheim cup, and win a gold medal in the olympics.

To obtain my achievements I've had to give up a lot of hobbies I enjoyed including playing the violin, singing and participating in drama productions as well as socialising with my friends outside of school but it is all worth it in the end!
