I started to play tennis at 5 year old and fell in love with it. My goal of playing US Open & Wimbledon keeps me motivated. Tennis is a very mental game, but as long as I stay calm and focus I can achieve it all. I love to compete and push myself to the new best even when I feel as I got nothing left to give. I just love tennis 🎾💕❤️

My name is Giovanni Servillo, I am 10 years old and I have started play soccer when I was six.

Soccer is my big passion, I used to train every day, I play for Macerata ASD 2018 and practice Football Freestyle in the Italian school "Scuola Calcio Freestyle" founded by my Coach Dario Piantadosi.

My dream is to become a Soccer player for Italian National Team and for a Big world Club.

My goal is to improve day by day, always accepting new challenges, for this reason, in 2021

I took part at the Italian freestyle football championship "SCF CUP 2021" at the "Decathlon Italia Challenge" for the best Italian Football Freestyler winning both of games.

My greatest success was to be the best skilled football freestyler in Italy at 10, and my greatest satisfaction was to have understood that with sacrifice and training you can achieve great results.

In addition, I love study at school and read books.
